Price: **\$41.60 USD**

Product Description

A 2002 report in a leading medical journal acknowledged that taking a daily multivitamin was one way to ensure adequate amounts of important nutrients. In addition, the report recognized the link between vitamins and the reduced risk of chronic diseases.

NUTRILITE® Daily Free may have the nutritional punch you are looking for, in a convenient, once-a-day tablet. This multivitamin is packed with vitamins, minerals, and phytonutrients from our exclusive Watercress Concentrate. Certified kosher and halal.

Product Benefits

NUTRILITE® Daily Free includes:

- No iron, alfalfa, yeast, vitamin K or sugar.
- 22 essential vitamins and minerals.
- 100% or more of the Daily Value for 12 essential vitamins and 7 essential minerals.
- NUTRILITE Watercress Concentrate, which supplies a

broad range of nutrients. This concentrate also provides beneficial natural plant compounds known as phytonutrients.

- No added artificial colors or preservatives.
- A NUTRILOCK[®] coating, to make the tablets easy to swallow.

Advisories and Precautions

Keep out of the reach of children.

FAQs

Why are there two different NUTRILITE[®] Daily multivitamins?

Daily Free was developed as a well-rounded multivitamin/multimineral alternative for people with sensitivities to iron, alfalfa, yeast, vitamin K, or sugar.

What are the primary differences between NUTRILITE Daily Free and NUTRILITE Daily?

Daily Free and Daily contain similar nutrient profiles, except that Daily Free contains no iron, alfalfa, yeast, vitamin K, or sugar.

Use Instructions

Take 1 tablet a day, with a meal.
