### **Product Advantage**

#### **How many Omega-3s do you get?**

When you can't or don't eat all the ocean fish you should, you can still get Omega-3 benefits with Balanced Health. One daily serving provides the Omega-3s found in 2.25 oz of ocean fish.

- DHA to support memory, learning, and concentration<sup>1</sup>
- EPA to help nerves send messages more efficiently
- DHA and EPA both may help reduce the risk of coronary heart disease<sup>2</sup>

### **Product Description**

NUTRILITE<sup>®</sup> OCEAN ESSENTIALS<sup>®</sup> Balanced Health provides a concentrated blend of 2 key Omega-3 fatty acids – EPA and DHA.

Taken daily throughout the week, the combination provides the same amount of DHA and EPA as 24.5 oz. servings of

ocean fish.

<sup>1</sup>This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

<sup>2</sup>FDA evaluated the data and determined that, although there is scientific evidence supporting the claim, the evidence is not conclusive.

## Product Benefits

OCEAN ESSENTIALS<sup>®</sup> Balanced Health includes:

- An easy way to get the benefits of EPA and DHA, for those who can't or don't eat fish daily. Both assist with healthy cell function.
- EPA to support for normal blood triglycerides and healthy blood flow.
- EPA to help maintain joint mobility for an active lifestyle.
- DHA to promote normal brain function, optimal learning, and concentration.<sup>1</sup>
- A special, 6-step process that greatly reduces unpleasant side effects common to competitors' Omega-3 products.
- No added artificial colors or flavors.

## Advisories and Precautions

Children under 12 years of age, pregnant women or nursing mothers, or anyone with a medical condition should consult with a physician before using this product. Keep out of reach of children.
